1. SUBJECT AND PURPOSE OF THE REPORT

Subject of this Report No. 545 is the submission of Excerpt from Conceptual Design as part of the Adaptation Design for Section 5 – Extension of the Interceptor which refers as Deliverable ID71.

On 08.04.2022. INSTITUTE sent to CMEC and BVK Report No. 416. Within Report No. 416 the INSTITUTE provided the digitally signed Books of the Conceptual Design as part of the Adaptation Design for Section 5 – Extension of the Interceptor, Deliverable ID71, as well as files in open form (.dwg and .doc) in Serbian.

On 29.11.2023. a meeting was held between Urban Design Institute, BVK and INSTITUTE. At the meeting it was agreed that the INSTITUTE should provide the Excerpts from Conceptual Designs for all sections, for the purpose of preparation of Urban Projects.

As Appendix 1 of this Report, the INSTITUTE submits Excerpt from Conceptual Design as part of the Adaptation Design for Section 5 – Extension of the Interceptor, Deliverable ID71 in Serbian language.

The purpose of Report No. 545 is submission of Excerpt from Conceptual Design as part of the Adaptation Design for Section 5 – Extension of the Interceptor which refers as Deliverable ID71, to CMEC and BVK with aim of preparation of Urban Project as soon as possible, which is necessary document for obtaining of the Location Conditions.

2. RESPONSIBILITIES OF BVK REGARDING THE EXCERPTS

BVK should submit the .pdf and .dwg file of Excerpt of Conceptual Design to the Urban Design Institute, so the preparation of Urban Projects can be executed as soon as possible, because the Urban projects represent the pre-requisite document for the preparation of Location Conditions.

3. RESPONSIBILITIES OF INSTITUTE REGARDING THE EXCERPTS

INSTITUTE will provide the printed and signed version of Excerpt from Conceptual Design in Serbian language to the BVK.
